Appeal Case No. 1234 of 2024

3. So far as Point No. 2 is concerned, the respondent already submitted a copy of the agreements from the year 2010 onwards which are taken on record. However the appellant contended that the information Point No 2 relates with security deposited by him at the time of appointment, which was forfeited and is sent to be deposited in the official account and has sought a copy of the same. It is also a fact that the respondent was directed to submit a copy of letter 4562 dated 27.08.2012 along with copy of agreements since the department has submitted the same but in the said letter i.e. 4562/PA dated 27.08.2012, a letter of Head Office bearing no. 8522/CFS dated 23.08.2012 has been mentioned according to which the security of the conductor has to be forfeited.

Accordingly the respondent is directed to place on record the complete file concerning the letter dated 23.08.2012 along with the written submissions whether any security was deducted and was forfeited in case of the appellant if so the necessary details be submitted as to which account it has been deposited else file the reply by way of an undertaking that no such security has ever been deposited after its deduction.

4. Also, the appellant submits that the direction may be issued to the respondent to bring the original file related to a copy of letter which is being submitted by the respondent in a sealed cover. Accordingly, the respondent is directed to bring the original file related to the letter along with its annexures in original for the perusal of the Commission, a photocopy of which has been submitted in a sealed cover.
