PRESENT: None for the parties.

ORDER:

This order refers to the Bench's previous order dated 20.04.2026.

2. That the information sought under the RTI Act, 2005 by the appellant through different RTI applications from the Senior Superintendent of Police, Bathinda, is being considered together, as the appellant and the PIO are common in the titled appeals. Hence, the matters are clubbed together.

3. That both parties remained absent during the hearing. However, an email has been received from the respondent stating therein that the information sought by the appellant is not available in the records and that the same has already been conveyed to the appellant in writing.

4. That upon perusal of the case file, the Bench observes that the respondent was directed during the previous hearing to file an affidavit/undertaking in case the information sought by the appellant was not available in the records. Although the respondent has submitted a reply in this regard, the PIO is still directed to file an Undertaking in the shape of an affidavit confirming the non-availability of the information sought in the records, failing which stringent action shall be initiated in accordance with law.
