**Appeal Case No.5956 of 2024**

**2/2**

3. The Respondent Department of Finance submitted that replies were furnished to the appellant vide letters dated **23.09.2025, 24.10.2025, 10.11.2025 and 17.11.2025**, stating that the information sought pertains to policy deliberations and does not fall within the purview of disclosure under the RTI Act, 2005. The appellant, however, relied upon his notarized affidavit dated **23.12.2025**, disputing the stand taken by the Respondents.
4. The Commission, after careful consideration of the submissions and record, observes that its jurisdiction under the RTI Act, 2005 is **confined to adjudicating access to information that is available and held by a public authority in material form**. The Commission **does not conduct inquiries, investigations, or adjudicate upon the correctness of policy decisions or internal deliberative processes** of the Government.
5. In view of the above and to place the factual position on record, the **Respondent-PIO is directed to file an undertaking**, clearly mentioning the facts as discussed during the hearing today, including the nature of information available on record and the replies already furnished to the appellant. The undertaking shall be sent **within 07 days of receipt of this order**, with:
  - the **original copy to the appellant**, and
  - a **copy to the Commission** for record.
6. Subject to the above direction, and since the Commission cannot travel beyond the scope of the RTI Act to examine grievances or conduct an inquiry into policy matters, **no further directions are called for**.

Accordingly, **the appeal is disposed of**.

**ORDER:**

1. *This order may be read with reference to the Commission's previous order dated 28.10.2025, whereby the appellant was directed to restrict his claim strictly to the contents of his original RTI application and both parties were granted an opportunity to file written submissions and represent their case.*
2. On the date of hearing today, **both the parties are present**. The Appellant, Sh. Balkirat Singh, referred to his written submission submitted before the Commission vide letter Ref. No. **20034 dated 27.11.2025**, reiterating his demand for a copy of the second statement of Ms.NajotKaur recorded on 03.04.2025 and the final report prepared by the Sakhi One Stop Centre, Patiala. He contended that Ms.NajotKaur is his legally wedded wife and that the information sought directly affects his rights and interests.
3. The Respondent, Ms.RajmeetKaur, representing the Sakhi One Stop Centre, Patiala, reiterated her earlier stand and submitted that the information sought pertains to a woman beneficiary and is confidential in nature. She submitted that, as per the instructions of the **Ministry of Women and Child Development**, the **Guidelines/SOPs governing Sakhi One Stop Centres**, and the express written request of Ms.NajotKaur, such information cannot be disclosed without her consent. She further submitted that the matter is also **sub judice** before the competent court.

**Appeal Case No. 4228 of 2025**

**2/2**

4. The Commission has carefully considered the submissions of both parties and the material available on record. At the outset, it is noted that the **original RTI application** was limited to seeking the **final outcome/result of the complaint and the final report**, and did not seek a copy of the statement of Ms.NavjotKaur as repeatedly insisted upon by the appellant during the proceedings. The appellant cannot be permitted to enlarge or modify the scope of his RTI application at the appellate stage.
5. Even otherwise, the information sought pertains to the **personal information of a woman beneficiary**, recorded at a Sakhi One Stop Centre, which is governed by strict confidentiality norms. The Commission finds merit in the Respondent's submission that such information is exempt from disclosure under **Section 8(1)(j) of the RTI Act, 2005**, particularly in the absence of consent from the concerned individual. The mere fact that the appellant claims a marital relationship does not override the statutory exemption or confidentiality safeguards prescribed under law.
6. The Commission further observes that the present RTI application essentially arises out of a **personal dispute and grievance** of the appellant. It is well settled that the Commission, while exercising jurisdiction under the RTI Act, **is not a grievance redressal forum**, nor can it adjudicate upon disputed questions of fact or matters pending before other competent judicial forums. The appellant is at liberty to pursue appropriate remedies before the forum competent to adjudicate such disputes.
7. In view of the above facts and circumstances, the Commission finds that the **Respondent has acted in accordance with the provisions of the RTI Act and applicable guidelines**, and no further interference is warranted in the matter.
8. Accordingly, **the appeal is disposed of**, with **no further directions**.

**ORDER:**

1. This order may be read with reference to the Commission's previous order dated **15.10.2025**, wherein the PIO was directed to remove discrepancies and to provide the pending information to the Appellant.
2. In today's hearing, **both the parties are present and heard**. The Appellant reiterated the submissions made in the written rejoinder, inter alia contending that the Respondent is the Principal Employer and DDO, legally responsible for certification of wage payments, and that the information sought pertains to work orders, audit reports and EPF/salary verification records which, according to the Appellant, are official records accessible to the Respondent. Allegations of financial irregularities and delay at the level of the First Appellate Authority were also reiterated.
3. On the other hand, the Respondent, **Er. KanwalvirKaur Gill, ADSE**, submitted that the PIO has already furnished a detailed reply, duly endorsed to the Appellant vide **Memo No. 2314 dated 22.12.2025**. It was submitted that the RTI application has been examined, the available record perused, and information pertaining to the inspection of **M/s Teleperformance Global Pvt. Ltd.** has been provided. The reply also records details regarding registration of the establishment, joint meeting held on 17.12.2025, issuance of MOM, clarification regarding payment of minimum wages, EPF contributions, gross salary and professional tax, and states that no further information is available with the public authority.

**Appeal Case No. 5850 of 2024**

**1/2**

4. The Commission has carefully considered the submissions of both the parties and perused the record. It is observed that the information available with the Respondent, as per record, has already been supplied to the Appellant. The RTI Act mandates disclosure of information **as available and held by the public authority**. The Commission finds no material on record to establish that any further information, in the form sought by the Appellant, is held by or available with the Respondent and has been withheld.
5. As regards the Appellant's allegations relating to financial irregularities and EPF proceedings, the same pertain to **grievance redressal and enforcement of labour laws**, which fall outside the scope of proceedings under the RTI Act. The Commission is not a forum for adjudication of such disputes.
6. In view of the above, the Commission is satisfied that the Respondent has complied with the directions issued vide order dated 15.10.2025 and that **no further intervention is warranted** in the matter.
7. Accordingly, the **appeal is disposed of**, with no further directions.

**ORDER:**

1. This order may be read with reference to the Commission's previous order dated **15.10.2025**, wherein the PIO was directed to facilitate inspection of all relevant records.
2. In today's hearing, **both the parties are present and heard**. The Respondent, **Sh. Lakhwinder Singh, PIO**, along with **Sh. Gurdeep Singh, Panchayat Secretary**, submitted that the Appellant did not appear for inspection as directed and that the information available on record has already been provided. The Appellant, on the other hand, could not substantiate non-compliance of the Commission's directions.
3. The Commission observes that adequate opportunity was granted to the Appellant to inspect the relevant records, which has not been availed. The RTI Act mandates disclosure of information as available with the public authority and does not envisage endless proceedings.
4. In view of the above, the Commission finds **no justification for further intervention**.
5. Accordingly, the **appeal is disposed of on merits**, with no further directions.
