ORDER

This order may be read with reference to the previous order dated 03.02.2026 vide which an opportunity was given to the respondent to appear before the Commission and state their case.

2. The appellant states that the information has not been provided to him till date.
3. After hearing the appellant and going through the case file, it is observed that the appellant filed RTI on 29.01.2025, but after lapse of more than twelve months, no information has been given to him, which shows that the respondent has no regard for the orders issued by the Commission. Neither the respondent has bothered to inform the Commission about his absence nor he has sent any reply. This is indeed a serious matter
4. The Commission observed that there is complete negligence and laxity in the public authority in dealing with the RTI application. It is abundantly clear that such matters are being ignored which reflects disrespect towards that RTI act 2005 itself. The Commission expressed its displeasure on the casual and callous approach adopted by the Respondent in responding to the RTI application. It is felt that conduct of Respondent is against the spirit

of the RTI Act 2005, which has been enacted to ensure greater transparency and effective access to the information. Such kind of behavior of a Government servant needs to be condemned and such employees need to be taught a good lesson so that rest of the employees have a right kind of message to wake up and perform their duties under the RTI Act for ensuring complete transparency and due accountability in the governance affairs of the public authorities.
